

Application Number 10/639,055  
Amendment dated September 23, 2005  
Response to Office action of July 25, 2005

**Remarks/Arguments**

Applicant has amended paragraph [0027] of the present application to correct a typological error; Applicant has amended paragraph [0031] of the present application to improve clarity.

Applicant grateful acknowledges that Examiner has indicated that claim 21 would be allowable if rewritten in independent form including all of the limitations of the base claim (claim 11).

Applicant has accordingly amended claim 11 to include the limitations of claim 21, and claim 21 has been cancelled.

Applicant has also accordingly claims 12, 13, 17, and 22.

Applicant has cancelled claims 1-10.

Applicant is filing this reply within 2 months of the mailing date of Examiner's final action, and requests that if the advisory action is not mailed until after the end of the three month shortened statutory period, the shortened statutory period to expire on the date the advisory action is mailed and any extension fee pursuant to 37 CFR 1.136(a) be calculated from the mailing date of the advisory action.

Applicant respectfully submits that this application, as amended, is in condition for allowance, and such disposition is earnestly solicited. These amendments are believed to have added no new material. If the Examiner believes that discussing the application the Applicant over the telephone might advance prosecution, Applicant would welcome the opportunity to do so.

Respectfully submitted,

Isajah Watas COX  
Inventor
